VI. RESOLUTIONS

A. CONSIDERATION OF A RESOLUTION AUTHORIZING THE SUBMISSION OF AN APPLICATION TO THE WYDOT TRANSPORTATION ALTERNATIVES PROGRAM

The Engineering Division of Public Works seeks authorization to submit an application for a WYDOT Transportation Alternatives Program (TAP) Grant for ADA Improvements within the City. The area proposed for ADA improvements includes a portion of East Teton Boulevard, from

Bridger Drive to Alabama Drive. The project would install curb ramps at intersections to facilitate the movement of wheelchair-bound and other mobility-impaired residents. This area has been selected based on their proximity to basic community facilities (grocery store, pharmacy, schools, etc.) and housing areas that serve young families, older adults, and individuals with disabilities.

Suggested Motion: I move to approve the Resolution authorizing the submission of an application for the WYDOT Transportation Alternatives Program for the City of Green River 2021 ADA Improvements Project, and authorize the Mayor to sign the application.

VII. COUNCIL ACTION ITEMS

A. CONSIDERATION OF AN AGREEMENT WITH SHUMS CODA ASSOCIATES TO PROVIDE ON-CALL BUILDING INSPECTION AND PLAN REVIEW SERVICES

The City of Green River occasionally has the need of using outside professional service firms to provide building inspection and plan review services. While the City currently has similar contracts with other firms, having the option of another firm at our disposal would provide desirable flexibility when scheduling difficulties arise. Shums Coda has qualified personnel on staff who can represent another option to provide timely response during busy periods.

Suggested Motion: I move to approve and authorize the Mayor to sign an Agreement with Shums Coda Associates to provide building inspection and plan review services to the City of Green River on an as-needed basis.

The City proposes to apply for a grant from the WYDOT Transportation Alternatives Program for the installation of ADA improvements at several intersections. The use of these grant funds requires the City's adoption of FHWA Standard Non-Discrimination Provisions and Assurances. The City must also identify a Title VI / EEO Coordinator for these projects.

Suggested Motion: I move to approve and authorize the Mayor to sign the Standard Title VI Assurances / Non-Discrimination Provisions and confirm the Mayor's appointment of Mark Westenskow as the Title VI / EEO Coordinator for projects using Federal Funds obtained through WYDOT.
