C. **FLAMING GORGE DAYS COMMITTEE UPDATE**

V. **CITIZEN REQUESTS AND OTHER COMMUNICATIONS**

Now is the appropriate time for citizens in the audience to be recognized and to speak on items both on the agenda and of general concern for them as citizens of Green River. There will be a limit of three (3) minutes for each individual and five (5) minutes for a group spokesperson. No speaker shall speak more than twice on any issue.

VI. **PUBLIC HEARING**

A. **PROPOSED BUDGET FOR FYE2017**

VII. **RESOLUTIONS**

A. **CONSIDERATION OF A RESOLUTION FOR ADOPTION OF THE BUDGET FOR FISCAL YEAR ENDING 2017**

A.i. **Wages For All Elected And Appointed Officials For The Fiscal Year Ending June 30, 2017**

Suggested Motion: I move to approve the resolution establishing wages for all Elected Officials of the City of Green River, Wyoming, for the Fiscal Year ending June 30, 2017.

A.iii. Budget Appropriations And Adoption Of Budget

Suggested Motion: I move to approve the resolution making appropriations and adopting the budget for the City of Green River, Wyoming for the Fiscal Year Beginning July 1, 2016 and ending June 30, 2017.

Documents: [RESOLUTION BUDGET APPROPRIATIONS.PDF](#)

B. CONSIDERATION OF A COUNTYWIDE CONSENSUS BLOCK GRANT JOINT RESOLUTION #BFY15/16-10 FOR WAMSUTTER

Wamsutter is requesting approval to move \$23,709.80 from its previously certified Mowing Equipment Project to its Public Works Storage Building from its appropriation of the BFY 15/16 Countywide Consensus Block Grant Funding. The bids for the Mowing Equipment came in much lower than expected whereas the bids for the building were higher. The process to move this funding requires the revised project to be certified again on a Resolution that details the changes, and a new grant application be submitted to the Office of State Lands.

Suggested Motion: I move to approve the Countywide Consensus Block Grant Joint Resolution #SWBFY15/16-10 for Wamsutter.

VIII. COUNCIL ACTION ITEMS

A. CONSIDERATION OF BID AWARD FOR THE HEAVY DUTY LOW CAB-FORWARD CHASSIS

The chassis portion of the new garbage truck was advertised for Bid with three Bids received on May 24th, 2016. Three Bids were received; Peterbuilt of Wyoming from Rock Springs met Specs with the lowest price of \$143,969.

Suggested Motion: I move to award the Bid for the Heavy Duty Low Cab-Forward Refuse Chassis to Peterbuilt of Wyoming, in the amount of \$143,969.

Documents: [AWARD BID FOR CHASSIS.PDF](#)

B. CONSIDERATION OF A BID AWARD FOR A AUTOMATED SIDE LOADER REFUSE COMPACTOR

Six Bids were received for the side load refuse compactor with Elliot Equipment Co of Lincoln, Nebraska meeting specs with lowest price. The amount of \$116,964.00 was Bid with a trade in on unit #43-42 for \$17,000 bringing the total to \$99,964 for the new refuse compactor which will be mounted on the new truck chassis.

Suggested Motion: I move to Award the Bid for the Automated Side Loader Refuse Compactor to Elliot Equipment Co., in the amount of \$99,964.

Documents: [BID AWARD FOR REFUSE COMPACTOR 2016.PDF](#)

C. CONSIDERATION OF A BID AWARD FOR THE SALE OF PLASTICS TO ACP LLC

The City requested Bids for the purpose of selling Plastics collected through the Recycling Program. There were 3 Bids received for Plastics (#1 PETE, #2 HDPE(colors), #2 HDPE(natural), #4 LDPE, #2 HDPE (colors-garbage containers) .

Suggested Motion: I move to Award the Bid for the Sale of Plastics to ACP, LLC of Logan, Utah based on current market price.

Documents: [AWARD PLASTICS 2016.PDF](#)

D. CONSIDERATION OF APPROVAL OF CHANGE ORDER #1 FOR 2016 CAPITAL IMPROVEMENT PROJECT - 2ND SOUTH STREET RECONSTRUCTION

DeBernardi Construction Company Inc. was awarded a \$2,908,089 contract on March 1, 2016 for street reconstruction with basic enhancements. Enhancement Bid Alternate 3B was included in the original Project Manual but was not awarded with the original contract. This work is desired by the City to provide the beautification elements originally envisioned for the corridor.

Suggested Motion: I move to approve Change Order #1 for the 2016 CIP - 2nd South Street Reconstruction Project, in the amount of \$744,675 and authorize the Mayor to sign the Change Order.

Documents: [2016 CIP CO 1.PDF](#)

E. CONSIDERATION TO AUTHORIZE THE SUBMISSION OF A GRANT APPLICATION TO WYOMING DEPARTMENT OF TRANSPORTATION AERONAUTICS DIVISION

Staff request authorization to submit a \$3,500 grant request to the Wyoming Department of Transportation Aeronautics Division. Grants for public events which promote aviation and airports are available through the Wyoming Department of Transportation (WYDOT) Aeronautics Division. The former members of the Green River Airport Task Force are planning this year's community Spaceport Day event to be held August 27, 2016.

Suggested Motion: I move to authorize the submission of the grant application to the Wyoming Department of Transportation Aeronautics Division, in the amount of \$3,500 for the Spaceport Day event to be held August 27, 2016; and to authorize the Mayor to sign and accept the grant award if the application is successful.

Documents: [WYDOT GRANT.PDF](#)

F. CONSIDERATION TO APPLY FOR A GRANT THROUGH AMERICORPS TO PROVIDE THREE (3) FULL-TIME VISTA MEMBERS

Grant funding is available to utilize VISTA members to serve with the City and assist with several community-based projects. At this time, we would like to apply for a grant to utilize VISTA members in the following areas: Grants/Social Media Outreach, Public Works Recycling/Education and Community Development/URA/Main Street Building Inventory Development.

Suggested Motion: I move to approve and authorize the Director of Human Resources to apply for a grant through AmeriCorps to fund three (3) full-time VISTA members to serve with the City of Green River.

IX. CONSENT AGENDA

A. AUTHORIZATION FOR THE SALE OF SURPLUS ITEMS TO HIGHEST BIDDERS

Items declared as surplus throughout the year are sold in a surplus property sale. The Finance Department prepares and oversees the bidding process through a sealed bid process. As required, the surplus auction items were advertised for three consecutive weeks in the local newspaper. The sealed bid process closed on June 3, 2016, and bids were opened on June 6, 2016. Staff would like council to authorize the sale of the surplus items to the highest bidders as shown on the attached documentation.

Documents: [SALE OF SURPLUS ITEMS.PDF](#)

B. APPROVAL OF MAINTENANCE AGREEMENTS WITH LONG MECHANICAL SOLUTIONS FOR HVAC SERVICES AT CITY FACILITIES

The City sought proposals to provide HVAC maintenance services to city facilities to include; the Recreation Center, City Hall, Expedition Island Pavilion, Animal Control and the Police Department. Long Mechanical Solutions provided a proposal of \$21,468.00 which reflects a \$4,500.00 savings over last year's agreement.

In an effort to allow for fiscal responsibility the agreements are for 3 years to be reviewed annually, with the option of extending the agreements for two additional one year periods, under the same terms and conditions of the original agreements dated June 22, 2016.

Suggested Motion: I move to approve and authorize the Mayor to sign the agreements with Long Mechanical Solutions to provide HVAC maintenance service to City owned facilities, for the amount of \$21,468.

XIII. ADJOURNMENT

FY17 SkyWest Airlines Minimum Revenue Guarantee

FY17 SkyWest MRG Timeline

On May 24th, SkyWest Airlines notified the Airport that the MRG for FY17 would remain unchanged from FY16 at \$1,916,735.

On June 2nd, the Airport travelled to St. George, UT to visit with SkyWest and attempt to negotiate better schedules, airfares, and a lower MRG.

On June 8th, the Airport received a revised MRG Agreement that dropped the initial proposed amount by \$303,394 to \$1,613,341.

FY17 Funding Changes

In March 2016, the Wyoming Department of Aeronautics changed their funding methodology for the Air Service Enhancement Program. The new rules state that WYDOT will pay no more than 60% of a MRG. In comparison, WYDOT is currently funding 69% of our MRG.

With this change in funding philosophy, our efforts to reduce the MRG will still result in the local communities having a larger responsibility as seen in the following chart.

	2014 – 2015	2015 - 2016	2016 - 2017	Difference
Total Contract	\$2,042,059.00	\$1,916,735.00	\$1,613,341	(\$303,394)
State	\$1,323,792.00	\$1,323,792.00	\$968,004.60	(\$355,787.40)
City/County	\$718,267.00	\$592,943.00	\$645,336.40	\$52,393.40
Rock Springs – 33%	\$237,028.11	\$195,671.19	\$212,961.01	\$17,289.82
Green River – 22%	\$158,018.74	\$130,447.46	\$141,974.01	\$11,526.55
Sweetwater County – 45%	\$323,220.15	\$266,824.35	\$290,401.38	\$23,577.03

The Airport has requested a waiver to this 60/40 split so that the local communities are not saddled with any additional expense compared to FY16.

The Aeronautics Commission will review this request at their June 21st Meeting that will be held after the County Commission Meeting, but before the City Council Meetings for Rock Springs and Green River.

The amounts above represent the worst case scenario in terms of our local financial obligation.

Freezing Water Lines:

Water customers who reside in areas of the City where the City's water main or service lines are above the freeze zone, as determined by the City utility department, may be allowed to receive a credit for running water in their homes. The Utility Department staff, with approval of the City Administrator, will determine which service lines are in danger of freezing and will notify the Utility Billing Department so those customers can be informed. The maximum credit a water customer will receive is 3300 cubic feet per month, and the minimum bill will be no less than the smaller of the previous month's water bill or an appropriate bill from another winter month. Any extenuating circumstances will be examined by the Utility Review Committee and a determination made by such committee as to whether the bill is appropriate.

This schedule would then be pre-approved by the Parks and Recreation Department before final reservations of the facility are made.

A \$500 security damage deposit is required for this type of reservation/rental. At the conclusion of the reservation/rental City staff will inspect the facility and after it is determined by City staff that no damage was done to the facility the deposit will be refunded.

Cleaning Fees: ~~Some events i.e. motor sports, circuses, mud boggs, etc.,~~ may be charged an additional cleaning fee to cover additional costs of restoring the facility to its pre-rental state.

The City of Green River reserves the right to refuse usage and/or alter charges/fees as needed.

STRATTON-MYERS PARK RENTAL POLICY

Stratton-Myers Park will be available to rent/reserve up to six months in advance from the date of your rental. This policy has been established for private rentals of Stratton-Myers Park. *Community youth and adult leagues and programs use of Stratton-Myers Park for their regular season is assigned separately.

To reserve the *entire Stratton-Myers Park Complex* (three athletic ball fields, three soccer fields, concession area (includes restrooms), stage, and west picnic shelter) a \$500 security/damage deposit and \$500 rental fee will be charged. Otherwise, itemized fees are as follows:

Fields (per field/per day)	_____	\$	50.00
Amphitheater Stage (per day)	_____	\$	100.00
West-end Picnic Shelter (per day)	_____	\$	30.00

*Community youth and adult leagues/programs have priority over all private rentals – with the exception of Flaming Gorge Days and Fourth of July activities. As part of their field usage request, all adult and youth leagues/programs will be able to include one tournament with their request.

Per day rentals are from 6:00 am to Midnight on the date of your paid rental.

Sweetwater County School District No 2 will be exempt from these fees.

Consideration of a Countywide Consensus Block Grant Joint Resolution #BFY15/16-10 for Wamsutter.

Background/Alternatives:

Wamsutter is requesting approval to move \$23,709.80 from its previously certified Mowing Equipment Project to its Public Works Storage Building from its appropriation of the BFY 15/16 Countywide Consensus Block Grant Funding. The bids for the Mowing Equipment came in much lower than expected whereas the bids for the building were higher. The process to move this funding requires the revised project to be certified again on a Resolution that details the changes, and a new grant application be submitted to the Office of State Lands.

Approval of Change Order #1 for 2016 Capital Improvement Project – 2nd South Street Reconstruction (6th Penny Year 3)

Background/Alternatives:

DeBernardi Construction Company, Inc. was awarded \$2,908,089.00 on March 1, 2016 for the street reconstruction with basic enhancements. Enhancement Bid Alternate 3B was included in the original Project Manual, but was not awarded with the original contract. This work is desired by the City to provide the beautification elements originally envisioned for the corridor. Including this work with the street reconstruction project will provide for better project coordination and warranty response.

The proposal submitted by DeBernardi Construction Company, Inc of \$744,675.00 is in line and comparable to the only other Enhancement Bid Alternate 3B response we received during the bidding process.

Grant submission to Wyoming Department of Transportation Aeronautics Division for the Spaceport Day event.

Background/Alternatives

Staff request authorization to submit a \$3,500 grant request to the Wyoming Department of Transportation Aeronautics Division. Grants for public events which promote aviation and airports are available through the Wyoming Department of Transportation (WYDOT) Aeronautics Division. The former members of the Green River Airport Task Force are planning this year's community Spaceport Day event to be held August 27, 2016.

A local match is not required for the awarded funds. The City has successfully obtained this grant for the last 3 years.

By submitting the attached Request for State Airport Aid form, the City would receive \$3,500 in grant funds for Spaceport Day. The Request will be considered by the WYDOT Aeronautics Commissioners at their July meeting.

Staff seeks authorization to Submit Request for State Airport Aid for Spaceport Day 2016, for the Mayor to sign and accept and execute the grant allocation if successful.

Part 5: Required Supporting Documentation

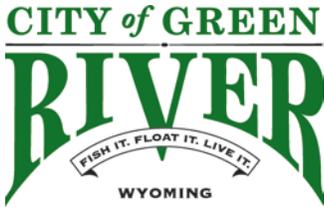

The sponsor shall forward one copy of the application and one copy of the following documents to WYDOT (paper size not to exceed 11"x17"). Applications submitted without this information will not be considered by the Aeronautics Commission.

1. A detailed cost estimate (if cost estimate is not completed by an engineer, WYDOT pre-approval of costs is required).
2. A drawing of the affected area (with the proposed work area and dimensions noted).
3. If the project is land related, a map with the specific land areas highlighted (Exhibit "A").

Under W.S. 10-3-401 & 10-3-402, The Aeronautics Commission "may make grants-in-aid from state funds for construction and development of airports to counties, cities, towns and joint powers boards within the state." The Aeronautics Division has been designated to act on behalf of the Aeronautics Commission in these matters.

Under W.S. 10-3-401 "Grants may be spent for runways, terminals, hangars, and other improvements and for planning any improvements to the airport".

The Aeronautics Commission reserves the right to request additional supporting documentation and justification as they deem necessary and to conduct audits of the information provided. If this grant request is approved by the Aeronautics Commission, any changes to the above information may require supplemental change orders, grant amendments, or other documents executed as may be required under the circumstances.

Customer:	City of Green River 1750 Hitching Post Green River, WY 82935		
Equipment Location:	Recreation Center 1750 Hitching Post Green River, WY 82935		

GENERAL CONDITIONS

SERVICE: This service labor is designed to protect and extend the life of your capital investment in the HVAC and building automation equipment covered by this proposal. Additional benefits include maintaining operating efficiencies, system reliability and to help maintain a comfortable environment for your buildings occupants. Service will be scheduled, on a regular basis by our service tasking program which is based on manufacturers' recommendations, equipment application, run time, age and our own experience.

Predictive Maintenance will be realized as our technicians become familiar with your equipment and facility through performing the preventive maintenance tasks. This allows us to see, and correct, most potential failures before they cause an emergency shutdown. Equipment tasking templates are used to record the services performed during the preventive maintenance visit. LONG Mechanical Solutions shall retain and manage the task templates.

TECHNICIANS: Trained and skilled technicians will perform the work required under this agreement utilizing advanced service procedures and state-of-the art tools. Ongoing training is given to our technicians to assure maximum service performance.

SERVICE REPORT: Our service report is used to provide communications between our customer and LONG Mechanical Solutions. A service report will be provided after each service visit. These service reports shall describe the work performed, list any deficiencies found and provide recommendations for required repairs.

QUALITY PERFORMANCE: LONG Mechanical Solutions is committed to providing quality service to our customers within the provisions, terms and conditions of this agreement. In order to maintain our high quality standards we will periodically ask you for feedback on the services performed under this agreement. We also welcome your unsolicited comments at any time.

COMPLIANCE WITH LAWS AND REGULATIONS: Refrigerant management is an ongoing service provided to all of our customers. LONG Mechanical Solutions will comply with regulations concerning the proper handling of refrigerants.

ENVIRONMENTAL, HEALTH AND SAFETY

VENDOR is committed to conducting its operations in compliance with all environmental regulations. Environmental, health and safety goals include preventing incidents that harm the environment, accidental injury to its employees and visitors, and/or exposure to harmful chemical or physical agents. Goals also include the elimination of accidents that cause property loss, environmental damage, or result in the interruption of VENDOR responsibilities. To achieve these goals, environmental and safety rules and procedures will be enforced equally with production, quality, cost and ethical standards. Objective is to provide quality products and services while actively conserving natural resources. VENDOR believes that all accidents and undesirable environmental incidents are preventable. Furthermore, every job should be done safely and in an environmentally-sound manner. Realization of these goals and objectives will demand maximum effort from VENDOR.

VENDOR's responsibilities:

- A. Create and maintain "Safety Awareness". Safety is everyone's responsibility, therefore make safety an integral part of every service job.
- B. Strive to maintain a hazard-free work environment by requiring everyone to provide special attention to the equipment, processes and procedures utilized in the performance of work.
- C. Provide for the safeguarding of employees while improving the effectiveness of quality assurance and customer satisfaction programs.
- D. Ensure compliance with applicable standards, regulations and codes established by local, state and federal agencies (re: OSHA).
- E. Utilize safety and health training, positive reinforcement techniques, identification, evaluation and correction of hazards and unsafe work procedures and performance to achieve regulatory compliance.
- F. Provide VENDOR service operations with effective training based on both OSHA and VENDOR Safety Standards in the recognition, evaluation and control of hazards and dangerous work procedures and performances.
- G. Establish safety kits to provide proper employee protective equipment for assigned tasks.
- H. Establishment of procedures for natural disasters, fire and emergency situations, including safe locations, exit routes, methods for accounting for employees in natural disasters.

TERMS AND CONDITIONS:

1. **PAYMENT** - No invoices will be paid without the proper information attached. The City of Green River, Wyoming (CITY) is a TAX-EXEMPT entity (TAX ID # 83-6000065) therefore does not pay taxes. CITY reserves the right to pay invoices at a minimum of 45-calendar days.
2. **WORKING HOURS** – All services performed under this Agreement including major repairs, are to be provided during VENDOR's normal working hours unless otherwise agreed by CITY and VENDOR.
3. **ADDITIONAL SERVICE** - Services or parts requested by CITY in addition to those specified in this Agreement will be provided upon receipt of CITY's written authorization and invoiced at VENDOR labor rates and parts charges. Additional services or parts shall be supplied under the terms of this Agreement.
4. **EXCLUSIONS** – VENDOR is not responsible for items not normally subject to mechanical maintenance including but not limited to: duct work, casings, cabinets, fixtures, structural supports,

grillage, water piping, steam piping, drain piping, cooling tower fill, boiler tubes, boiler refractory, disconnect switches and circuit breakers. VENDOR is not responsible for repairs, replacements, alterations, additions, adjustments, repairs by others, unscheduled calls or emergency calls, any of which may be necessitated by negligent operation, abuse, misuse, prior improper maintenance, vandalism, obsolescence, building system design, damage due to freezing weather, chemical/electrochemical attack, corrosion, erosion, deterioration due to unusual wear and tear, any damage related to the presence of mold, fungi, mildew, or bacteria, or any other cause beyond VENDOR's control.

VENDOR is not responsible for the identification, detection, abatement, encapsulating or removal of asbestos, products or materials containing asbestos, similar hazardous substances, or mold, fungi, mildew, or bacteria. In the event that VENDOR encounters any asbestos product or any hazardous material in the course of performing its work, VENDOR may suspend its work and remove its employees from the project, until such product or material, and any hazards connected with it are abated. VENDOR shall receive an extension of time to complete its work and compensation for delays encountered as a result of such situation and its correction.

VENDOR shall not be required to perform tests, install any items of equipment or make modifications that may be recommended or directed by insurance companies, government, State, municipal or other authority. However, in the event any such recommendations occur, VENDOR at its option may submit a agreement for CITY's consideration in addition to this Agreement. VENDOR shall not be required to repair or replace equipment that has not been properly maintained.

5. **WARRANTY**– VENDOR warrants that all service provided under this Agreement shall be performed in a workmanlike manner. VENDOR also warrants all VENDOR parts or components supplied hereunder to be free from defects in material and workmanship. For parts or components determined to be defective within one year from date of installation or before the termination date of this Agreement, whichever is earlier, and in the case of service, determined to be defective within ninety (90) days of completion of that service, VENDOR shall repair, replace, or issue a credit, for any such parts, components or service, provided they were not damaged, abused, or affected by chemical properties. Any claim for defective workmanship must be provided to VENDOR in writing. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. VENDOR's obligations to repair, replace, or issue credit for any defective parts, components or service shall be CITY's exclusive remedy.
6. **PROPRIETARY RIGHTS**– During the term of this Agreement and in combination with certain services, VENDOR may elect to install, attach to CITY equipment, or provide portable devices (hardware and/or software) that shall remain the personal proprietary property of CITY. No devices installed, attached to real property or portable device(s) shall become a fixture of the CITY locations. CITY shall not acquire any interest, title or equity in any hardware, software, processes, and other intellectual or proprietary rights to devices which are used in connection with providing service on CITY equipment.
7. **DELAYS**– Delays caused by conditions beyond the reasonable control of either party shall not be the liability of either party to this Agreement.
8. **CITY RESPONSIBILITIES:**
 - Provide a safe work environment.

- Permit access to CITY sites, and use of building services including but not limited to: water, elevators, receiving dock facilities, electrical service and local telephone service.
 - Keep areas adjacent to equipment free of extraneous material, move any stock, fixtures, walls or partitions that may be necessary to perform the specified service.
 - Promptly notify VENDOR of any unusual operating conditions.
 - Upon agreement of a timely mutual schedule, allow VENDOR to stop and start equipment necessary to perform service.
 - Provide adequate water treatment.
 - Provide the daily routine equipment operation (if not part of this Agreement) including availability of routine equipment log readings.
 - Where VENDOR's remote monitoring service is provided, provide and maintain a telephone line with long distance direct dial and answer capability.
 - Operate the equipment properly and in accordance with instructions.
 - Promptly address any issues that arise related to mold, fungi, mildew or bacteria.
- 9. EQUIPMENT CONDITION & RECOMMENDED SERVICE**– Upon the initial scheduled operating and/or initial annual stop inspection, should VENDOR determine the need for repairs or replacement, VENDOR will provide CITY in writing an ‘equipment condition’ report including recommendations for corrections and the price for repairs in addition to this Agreement. In the event VENDOR recommends certain services (that are not included herein or upon initial inspection) and if CITY does not elect to have such services properly performed in a timely fashion, VENDOR shall not be responsible for any equipment or control failures, operability or any long-term damage that may result. VENDOR at its option will either continue to maintain equipment and/or controls to the best of its ability, without any responsibility, or remove such equipment from this Agreement, adjusting the price accordingly.
- 10. CITY TERMINATION** – CITY shall have the right to terminate this Agreement for VENDOR's non-performance provided VENDOR fails to cure such non-performance within 30 calendar days after having been given prior written notice of the non-performance. Upon early termination or expiration of this Agreement, VENDOR shall have free access to enter CITY locations to disconnect and remove any VENDOR proprietary property or devices as well as remove any and all VENDOR owned parts, tools and personal property. Additionally, CITY agrees to pay VENDOR for all incurred but unamortized service costs performed by VENDOR including overheads and a reasonable profit.
- 11. VENDOR TERMINATION** – VENDOR reserves the right to discontinue its service any time payments have not been made as agreed or if alterations, additions or repairs are made to equipment during the term of this Agreement by others without prior agreement between CITY and VENDOR.
- 12. WASTE DISPOSAL**– VENDOR is wholly responsible for the removal and proper disposal of waste oil, refrigerant and any other material generated during the term of this Agreement.
- 13. MUTUAL DISCLAIMER** - Neither party shall be liable to the other for any special, indirect, incidental, consequential, punitive or exemplary damages, including, but not limited to, lost profits, even if such party has knowledge of the possibility of such damages.
- 14. GOVERNMENT PROCUREMENTS**- VENDOR offers standard commercial items which may not comply with Government specifications. VENDOR does not comply with the Cost Accounting Standards (CAS) or with the Federal Acquisition Regulations (FAR). In no event shall VENDOR provide any Cost or Pricing Data in connection with this Agreement or subsequent modifications.

- 15. SUPERSEDURE, ASSIGNMENT and MODIFICATION-** This Agreement contains the complete and exclusive statement of the agreement between the parties and supersedes all previous or contemporaneous, oral or written, statements. CITY may assign this Agreement only with VENDOR's prior written consent. No modification to this Agreement shall be binding unless in writing and signed by both parties.
- 16. SERVICE MEETING** - Under the terms of this Agreement it will be required that a representative from the VENDOR meet with CITY officials after the Agreement has been signed and approved in order to discuss procedures for service, the terms of the Agreement and any other questions either party may have. This will be considered an introductory meeting.
- 17. INSURANCE** - The VENDOR shall furnish and keep in force for the life of this Agreement the following insurance coverage:
- a. All insurance must be maintained at the VENDOR's expense.
 - b. Workers' Compensation coverage and Wyoming unemployment insurance (per Wyoming law).
 - c. VENDOR's General Liability insurance must be maintained at VENDOR's expense.
 - d. Broad form Commercial General Liability coverage written on a "per occurrence" basis and with an aggregate cap no less than \$1,000,000.
 - e. Automobile Liability Coverage, including coverage for owned, hired or borrowed auto: \$1,000,000 CSL
 - f. Umbrella or Excess Liability coverage following form of underlying General and Automobile Liability coverage: \$1,000,000 CSL (Note: existence of umbrella coverage may serve to satisfy underlying limits for Automobile and General Liability.)

All required insurance shall be certified by a duly authorized representative of the insurer(s). Properly executed certificates signifying adequate coverage in effect for the duration of the contract with renewal certificates issued no less than 30 calendar days prior to expiration of a policy period, must be submitted with the agreement and on file with CITY prior to commencement of an Agreement.

The VENDOR agrees to be responsible for, and to protect, save harmless, and indemnify the CITY and its employees from and against all loss, damage, cost and expense (including attorney's fees) suffered or sustained by the CITY or for which the CITY may be held or become liable by reason of injury (including death) to persons or property or other causes whatsoever, in connection with the operations of the VENDOR under this Agreement.

18. CONTACT INFORMATION -

Under no circumstances shall any service calls be received by the VENDOR by any source other than those persons listed below. The VENDOR shall make no plans to repair any item for the CITY without the explicit permission of **one of** the following:

- a. **Brad Raney**, Director of Parks & Recreation, 307-872-6147

TACHMENT D - CONFLICT OF INTEREST DISCLOSURE

The purpose of this questionnaire is to disclose any interests or affiliations that you or members of your immediate family (i.e., spouse, child, parent, sibling, in-law, or any person living in the same household) may have that, when considered in light of your relationship with the City which may create a conflict of interest. A conflict of interest exists (1) when an individual is in a position where he or she may obtain an improper gain or advantage as a result of his or her activities on behalf of the City; or (2) when he or she is in a position where he/she may have to choose whether to advance his/her own interests (or those of another) rather than the interests of City. Conflicts of interest do not necessarily involve intentional wrongdoing, but can result from a combination of completely innocent circumstances. Although it is impossible to list every circumstance that may cause conflicts of interest, a number of potential problem areas are outlined below. Please indicate under each numbered heading any possible or potential conflict of interest that you may have, or write "None" where applicable.

1. Please disclose any affiliation, whether direct or indirect, that constitutes a source of income or credit to your company, the Board of Directors and/or the employees of the contractor or members immediate their family, which might reasonably be deemed to involve a possible conflict of interest between you and the City, including, but not limited to, a proprietorship, partnership, stock, ownership of a non-publicly-owned corporation's outstanding shares or other securities, or any employment, indebtedness, or contractual relationship with any such entity.
2. Please disclose all business corporate or other organizational directorships or official positions held by your company, the Board of Directors and/or employees of the contractor or members immediate their family.
3. Please disclose all charitable corporate or other organizational directorships or official positions held by your company, the Board of Directors and/or employees of the contractor or members immediate their family.
4. Please disclose all relationships and affiliations held by you or by any member of your immediate family which might reasonably be deemed to be within the spirit (if not the letter) of the foregoing questions, bearing in mind that the purpose of this questionnaire is to enable you and the City to protect you from the consequences of a real or apparent conflict of interest. Our goal is to avoid both actual impropriety and the appearance of impropriety.

ENVIRONMENTAL, HEALTH AND SAFETY

VENDOR is committed to conducting its operations in compliance with all environmental regulations. Environmental, health and safety goals include preventing incidents that harm the environment, accidental injury to its employees and visitors, and/or exposure to harmful chemical or physical agents. Goals also include the elimination of accidents that cause property loss, environmental damage, or result in the interruption of VENDOR responsibilities. To achieve these goals, environmental and safety rules and procedures will be enforced equally with production, quality, cost and ethical standards. Objective is to provide quality products and services while actively conserving natural resources. VENDOR believes that all accidents and undesirable environmental incidents are preventable. Furthermore, every job should be done safely and in an environmentally-sound manner. Realization of these goals and objectives will demand maximum effort from VENDOR.

VENDOR's responsibilities:

- A. Create and maintain "Safety Awareness". Safety is everyone's responsibility, therefore make safety an integral part of every service job.
- B. Strive to maintain a hazard-free work environment by requiring everyone to provide special attention to the equipment, processes and procedures utilized in the performance of work.
- C. Provide for the safeguarding of employees while improving the effectiveness of quality assurance and customer satisfaction programs.
- D. Ensure compliance with applicable standards, regulations and codes established by local, state and federal agencies (re: OSHA).
- E. Utilize safety and health training, positive reinforcement techniques, identification, evaluation and correction of hazards and unsafe work procedures and performance to achieve regulatory compliance.
- F. Provide VENDOR service operations with effective training based on both OSHA and VENDOR Safety Standards in the recognition, evaluation and control of hazards and dangerous work procedures and performances.
- G. Establish safety kits to provide proper employee protective equipment for assigned tasks.
- H. Establishment of procedures for natural disasters, fire and emergency situations, including safe locations, exit routes, methods for accounting for employees in natural disasters.

TERMS AND CONDITIONS:

- 1. **PAYMENT** - No invoices will be paid without the proper information attached. The City of Green River, Wyoming (CITY) is a TAX-EXEMPT entity (TAX ID # 83-6000065) therefore does not pay taxes. CITY reserves the right to pay invoices at a minimum of 45-calendar days.
- 2. **WORKING HOURS** – All services performed under this Agreement including major repairs, are to be provided during VENDOR's normal working hours unless otherwise agreed by CITY and VENDOR.
- 3. **ADDITIONAL SERVICE** - Services or parts requested by CITY in addition to those specified in this Agreement will be provided upon receipt of CITY's written authorization and invoiced at VENDOR labor rates and parts charges. Additional services or parts shall be supplied under the terms of this Agreement.
- 4. **EXCLUSIONS** – VENDOR is not responsible for items not normally subject to mechanical maintenance including but not limited to: duct work, casings, cabinets, fixtures, structural supports,

grillage, water piping, steam piping, drain piping, cooling tower fill, boiler tubes, boiler refractory, disconnect switches and circuit breakers. **VENDOR** is not responsible for repairs, replacements, alterations, additions, adjustments, repairs by others, unscheduled calls or emergency calls, any of which may be necessitated by negligent operation, abuse, misuse, prior improper maintenance, vandalism, obsolescence, building system design, damage due to freezing weather, chemical/electrochemical attack, corrosion, erosion, deterioration due to unusual wear and tear, any damage related to the presence of mold, fungi, mildew, or bacteria, or any other cause beyond **VENDOR**'s control.

VENDOR is not responsible for the identification, detection, abatement, encapsulating or removal of asbestos, products or materials containing asbestos, similar hazardous substances, or mold, fungi, mildew, or bacteria. In the event that **VENDOR** encounters any asbestos product or any hazardous material in the course of performing its work, **VENDOR** may suspend its work and remove its employees from the project, until such product or material, and any hazards connected with it are abated. **VENDOR** shall receive an extension of time to complete its work and compensation for delays encountered as a result of such situation and its correction.

VENDOR shall not be required to perform tests, install any items of equipment or make modifications that may be recommended or directed by insurance companies, government, State, municipal or other authority. However, in the event any such recommendations occur, **VENDOR** at its option may submit a proposal for **CITY**'s consideration in addition to this Agreement. **VENDOR** shall not be required to repair or replace equipment that has not been properly maintained.

5. **WARRANTY**– **VENDOR** warrants that all service provided under this Agreement shall be performed in a workmanlike manner. **VENDOR** also warrants all **VENDOR** parts or components supplied hereunder to be free from defects in material and workmanship. For parts or components determined to be defective within one year from date of installation or before the termination date of this Agreement, whichever is earlier, and in the case of service, determined to be defective within ninety (90) days of completion of that service, **VENDOR** shall repair, replace, or issue a credit, for any such parts, components or service, provided they were not damaged, abused, or affected by chemical properties. Any claim for defective workmanship must be provided to **VENDOR** in writing. **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.** **VENDOR**'s obligations to repair, replace, or issue credit for any defective parts, components or service shall be **CITY**'s exclusive remedy.
6. **PROPRIETARY RIGHTS**– During the term of this Agreement and in combination with certain services, **VENDOR** may elect to install, attach to **CITY** equipment, or provide portable devices (hardware and/or software) that shall remain the personal proprietary property of **CITY**. No devices installed, attached to real property or portable device(s) shall become a fixture of the **CITY** locations. **CITY** shall not acquire any interest, title or equity in any hardware, software, processes, and other intellectual or proprietary rights to devices which are used in connection with providing service on **CITY** equipment.
7. **DELAYS**– Delays caused by conditions beyond the reasonable control of either party shall not be the liability of either party to this Agreement.
8. **CITY RESPONSIBILITIES:**
 - Provide a safe work environment.

- Permit access to CITY sites, and use of building services including but not limited to: water, elevators, receiving dock facilities, electrical service and local telephone service.
 - Keep areas adjacent to equipment free of extraneous material, move any stock, fixtures, walls or partitions that may be necessary to perform the specified service.
 - Promptly notify VENDOR of any unusual operating conditions.
 - Upon agreement of a timely mutual schedule, allow VENDOR to stop and start equipment necessary to perform service.
 - Provide adequate water treatment.
 - Provide the daily routine equipment operation (if not part of this Agreement) including availability of routine equipment log readings.
 - Where VENDOR's remote monitoring service is provided, provide and maintain a telephone line with long distance direct dial and answer capability.
 - Operate the equipment properly and in accordance with instructions.
 - Promptly address any issues that arise related to mold, fungi, mildew or bacteria.
- 9. EQUIPMENT CONDITION & RECOMMENDED SERVICE-** Upon the initial scheduled operating and/or initial annual stop inspection, should VENDOR determine the need for repairs or replacement, VENDOR will provide CITY in writing an 'equipment condition' report including recommendations for corrections and the price for repairs in addition to this Agreement. In the event VENDOR recommends certain services (that are not included herein or upon initial inspection) and if CITY does not elect to have such services properly performed in a timely fashion, VENDOR shall not be responsible for any equipment or control failures, operability or any long-term damage that may result. VENDOR at its option will either continue to maintain equipment and/or controls to the best of its ability, without any responsibility, or remove such equipment from this Agreement, adjusting the price accordingly.
- 10. CITY TERMINATION** – CITY shall have the right to terminate this Agreement for VENDOR's non-performance provided VENDOR fails to cure such non-performance within 30 calendar days after having been given prior written notice of the non-performance. Upon early termination or expiration of this Agreement, VENDOR shall have free access to enter CITY locations to disconnect and remove any VENDOR proprietary property or devices as well as remove any and all VENDOR owned parts, tools and personal property. Additionally, CITY agrees to pay VENDOR for all incurred but unamortized service costs performed by VENDOR including overheads and a reasonable profit.
- 11. VENDOR TERMINATION** – VENDOR reserves the right to discontinue its service any time payments have not been made as agreed or if alterations, additions or repairs are made to equipment during the term of this Agreement by others without prior agreement between CITY and VENDOR.
- 12. WASTE DISPOSAL-** VENDOR is wholly responsible for the removal and proper disposal of waste oil, refrigerant and any other material generated during the term of this Agreement.
- 13. MUTUAL DISCLAIMER** - Neither party shall be liable to the other for any special, indirect, incidental, consequential, punitive or exemplary damages, including, but not limited to, lost profits, even if such party has knowledge of the possibility of such damages.
- 14. GOVERNMENT PROCUREMENTS-** VENDOR offers standard commercial items which may not comply with Government specifications. VENDOR does not comply with the Cost Accounting Standards (CAS) or with the Federal Acquisition Regulations (FAR). In no event shall VENDOR provide any Cost or Pricing Data in connection with this Agreement or subsequent modifications.

15. SUPERSEDEURE, ASSIGNMENT and MODIFICATION- This Agreement contains the complete and exclusive statement of the agreement between the parties and supersedes all previous or contemporaneous, oral or written, statements. CITY may assign this Agreement only with VENDOR's prior written consent. No modification to this Agreement shall be binding unless in writing and signed by both parties.

16. SERVICE MEETING - Under the terms of this Agreement it will be required that a representative from the VENDOR meet with CITY officials after the Agreement has been signed and approved in order to discuss procedures for service, the terms of the Agreement and any other questions either party may have. This will be considered an introductory meeting.

17. INSURANCE - The VENDOR shall furnish and keep in force for the life of this Agreement the following insurance coverage:

- a. All insurance must be maintained at the VENDOR's expense.
- b. Workers' Compensation coverage and Wyoming unemployment insurance (per Wyoming law).
- c. VENDOR's General Liability insurance must be maintained at VENDOR's expense.
- d. Broad form Commercial General Liability coverage written on a "per occurrence" basis and with an aggregate cap no less than \$1,000,000.
- e. Automobile Liability Coverage, including coverage for owned, hired or borrowed auto: \$1,000,000 CSL
- f. Umbrella or Excess Liability coverage following form of underlying General and Automobile Liability coverage: \$1,000,000 CSL (Note: existence of umbrella coverage may serve to satisfy underlying limits for Automobile and General Liability.)

All required insurance shall be certified by a duly authorized representative of the insurer(s). Properly executed certificates signifying adequate coverage in effect for the duration of the contract with renewal certificates issued no less than 30 calendar days prior to expiration of a policy period, must be submitted with the proposal and on file with CITY prior to commencement of an Agreement.

The VENDOR agrees to be responsible for, and to protect, save harmless, and indemnify the CITY and its employees from and against all loss, damage, cost and expense (including attorney's fees) suffered or sustained by the CITY or for which the CITY may be held or become liable by reason of injury (including death) to persons or property or other causes whatsoever, in connection with the operations of the VENDOR under this Agreement.

18. CONTACT INFORMATION -

Under no circumstances shall any service calls be received by the VENDOR by any source other than those persons listed below. The VENDOR shall make no plans to repair any item for the CITY without the explicit permission of one of the following:

19. SERVICE RESPONSE TIME -

All calls for service shall be returned within one (1) business day. All emergency service work must commence within six (6) hours of receiving the request for service from the CITY. Service must be provided on a 24 hour per day, 7 day per week basis. If the VENDOR fails to respond in the required time period, this may be grounds for cancellation of this Agreement. The successful VENDOR must provide at least two contact telephone numbers and E-Mail Addresses.

Emergency repairs clarification: What is deemed as an emergency repair; anytime a change or loss of service could result in a danger to or loss of life, or where damages to equipment or property could result from no action being taken.

Minor repairs clarification: What is deemed as a minor repair: For the purpose of this clarification minor repairs are items not covered in any other portion of the request for proposal and are for items which are generally small in nature and do not require a significant amount of time or resources. An example is a repair of gaskets on valves,

Refrigeration percentage clarification: What is deemed as refrigeration percentage; 5% loss needs to be taken care of by the VENDOR on an annual basis.

20. EXTENSION OF CONTRACT -

This contract may be extended by CITY for two additional one year periods under the terms and conditions of the original contract. Such written notice shall be given at least 45 calendar days prior to the expiration date of each contract period. If CITY elects to exercise this option to extend the contract for an additional one-year period, the contract price(s) for the additional year shall be the contract prices of the original contract.

21. MANDATORY PRE-PROPOSAL MEETING -

All VENDORS interested in submitting a proposal on this maintenance services contract must attend a mandatory pre-proposal meeting located at Green River City Hall, 50 East 2nd North, Green River, Wyoming, 82935, in the Multi-Purpose Room, 1st Floor, at 10:00 am, on Wednesday May 25, 2016 . ATTACHMENT D - CONFLICT OF INTEREST DISCLOSURE

The purpose of this questionnaire is to disclose any interests or affiliations that you or members of your immediate family (i.e., spouse, child, parent, sibling, in-law, or any person living in the same household) may have that, when considered in light of your relationship with the City which may create a conflict of interest. A conflict of interest exists (1) when an individual is in a position where he or she may obtain an improper gain or advantage as a result of his or her activities on behalf of the City; or (2) when he or she is in a position where he/she may have to choose whether to advance his/her own interests (or those of another) rather than the interests of City. Conflicts of interest do not necessarily involve intentional wrongdoing, but can result from a combination of completely innocent circumstances. Although it is impossible to list every circumstance that may cause conflicts of interest, a number of potential problem areas are outlined below. Please indicate under each numbered heading any possible or potential conflict of interest that you may have, or write "None" where applicable.

1. Please disclose any affiliation, whether direct or indirect, that constitutes a source of income or credit to your company, the Board of Directors and/or the employees of the contractor or members immediate their family, which might reasonably be deemed to involve a possible conflict of interest between you and the City, including, but not limited to, a proprietorship, partnership, stock, ownership of a non-publicly-owned corporation's outstanding shares or other securities, or any employment, indebtedness, or contractual relationship with any such entity.
2. Please disclose all business corporate or other organizational directorships or official positions held by your company, the Board of Directors and/or employees of the contractor or members immediate their family.
3. Please disclose all charitable corporate or other organizational directorships or official positions held by your company, the Board of Directors and/or employees of the contractor or members immediate their family.
4. Please disclose all relationships and affiliations held by you or by any member of your immediate family which might reasonably be deemed to be within the spirit (if not the letter) of the foregoing questions, bearing in mind that the purpose of this questionnaire is to enable you and the City to protect you from the consequences of a real or apparent conflict of interest. Our goal is to avoid both actual impropriety and the appearance of impropriety.

Updated: 2/22/16

City of Green River, City Council Budget Workshop Proceedings for May 26, 2016, 6:30 pm, Council Chambers, Mayor Pete Rust called the meeting to order. The following Council Members were present: Gary Killpack, Lisa Maes, Mark Peterson, Ted Barney and Allan Wilson. The following were present representing the City: City Administrator Reed Clevenger, Director of Finance Chris Meats, Director of Public Works Mark Westenskow, and Utility Superintendent Jason Palmer. **Utility Rate Study Update;** David Yanke from NewGen Strategies & Solutions said they will provide a model and training for a 10 year financial forecast. The model will be excel based and will include capital planning, debt/equity balance, managing utility reserves, and include forecasting rate changes. They have asked for a lot of data and are looking at many areas to determine what will need to be done to cover each utility. They will look at projected operating results, the cost of service study and from there come to council with a rate recommendation. Rates represent one of the most important relationships a utility has with its customers. In reviewing the rate structures it is important to set strategy, establish guidelines, link cause and effect and most important make sure to have full disclosure to customers. Key issues are: How will we pay for our business plan; how will we pay for Capital Projects, what type of reserves should we have and how much should be in each reserve. What rate levels are required to support what is needed? Capital Improvement Items: Wastewater Treatment Plant design and construction; The Transfer Station & Landfill closure; system repairs and replacement, and rolling stock replacement. Rolling stock is the garbage trucks, wastewater vacuum trucks, ect. Some of the City's planning items are: storm water utility approximately \$127,000 annually to operate; curbside recycling program which is not being factored into the rates but will be included in the rate study as a "what if" item. The next steps will include developing a revenue requirement for water, wastewater, storm water and solid waste utilities. Develop a 10 year financial forecast for all three utilities and then they will meet with City staff to review their findings; develop cost of service and rates for all utilities, draft a report and present to the council. They have also planned for two more on-site meetings with the City. Mr. Clevenger said there are so many different pieces that go into this plan so there is no way they can set a rate right now. Mr. Wilson said the Joint Powers Water Board is increasing the water rate for the City by 4% so we will see an increase. He asked what cities they are comparing us too. Mr. Yanke said Rock Springs, Evanston, Cody, Riverton, Sheridan, Rawlins, and Vernal, UT. Mr. Wilson asked if it would be consumption based instead of a flat rate. Mr. Yanke said he would recommend going with consumption base because it is most common. They will look at the winter average of three to four months. Mr. Killpack asked if the wastewater plant can be added as a 6th penny project. Mr. Clevenger said yes; they have looked at it with 6th or 7th penny but they will have to start the process now to get it added. Mr. Killpack asked why we have to build a new treatment plant. Mr. Westenskow said the general plant is running well but over time the lagoon plants are being phased out. The plant currently cannot meet future needs and requirements. Mr. Wilson asked if the rate study will be completed before the budget is passed in June. Mr. Clevenger said the council will be able to review rates before the budget is approved. The June 2, 2016 budget workshop will be over the Enterprise Funds and rates. Mr. Killpack asked how much is in the reserves for the Enterprise Funds. Mr. Meats said there are reserves but there is not enough to cover large projects. He would like the reserves to be at a higher amount. Mr. Clevenger said they need to make sure there is an adequate amount in reserves to cover any issues that come up. Mr. Meats said they need to increase rates but they are not sure how much. Mr. Peterson asked if the rates are increased now, for the new treatment plant, when it is completed will the rates go down. Mr. Meats said even if the plant is paid for the rates will still

need to remain the same to cover the costs of maintenance and upkeep of the facility. Mr. Wilson said he likes the 10 year forecast and he would support the consumption based rates. Ms. Maes asked if there were 100 citizens that were willing to pay for the curbside recycling collection, would they be able to do so. She also agrees with the consumption based rate. Mr. Yanke said even if 10% of people signed up for curbside recycling services the route density would be a problem and the costs would not be effective. It is better to have a central location where people can put their recycling. Mr. Rust said 6th Penny option is a great way to get things done. The reserves need to be able to cover the costs of repairs or break downs. We need to educate the citizens and keep them informed. **Adjournment:** The meeting adjourned at 7:48 pm.

City of Green River, City Council Budget Workshop Proceedings for June 2, 2016, 6:30 pm, Council Chambers,

Mayor Pete Rust called the meeting to order. The following Council Members were present: Gary Killpack, Mark Peterson, Ted Barney and Allan Wilson. The following were present representing the City: City Administrator Reed Clevenger, Director of Finance Chris Meats, Director of Public Works Mark Westenskow, and Sanitation Supervisor Mark Pond. **Budget for Enterprise Funds:** Mr. Westenskow said the Public Works Department has 36 employees and 7 part time employees, plus seasonals. Current accomplishments within the Solid Waste Division are: they have received bids for the new automated side load truck; they are continuing the yearly garbage can replacement, will be awarding bids for the sale of recyclable materials and completing the design of the Transfer Station. The 2016-2017 goals for the division are to purchase a new automated garbage truck, continue the yearly garbage can replacement, construct & equip the new transfer station and begin the landfill closure. The Transfer Station construction is scheduled as follows: complete the design and final DEQ approval in the summer of 2016, bid out in late summer 2016, begin construction in the fall of 2016, and complete construction in the spring of 2017. The landfill closure is scheduled as follows: complete the design and final DEQ approval in the fall of 2016, bid out in the winter of 2017, begin construction in the spring of 2017 and cease receiving waste at the landfill mid-2017. Current accomplishments within the Wastewater Division are the completion of the Hutton Heights Lift Station Replacement; begin the Northside Lift Station design and received Wyoming Business Council grant for the construction, and completed Urban System spot repairs. The 2016-2017 goals are to start the Colliers Lift Station Replacement Project; possibly start the manhole lining project at \$35,000, possibly start the underpass sewer crossing replacement at \$300,000; replace the Northside Lift Station at \$1,300,000, and begin the Wastewater Treatment Plant design at \$2,400,000. The Water Division has completed the second year of meter change outs, potable water tank mixer install and Urban Systems Spot Improvements. The 2016-2017 goals are to start and complete year three of meter change outs at \$180,000 and the Hitching Post Water Replacement \$400,000. Staff is requesting increasing the rates as follows: Solid Waste 2% which is \$.50 for residential. Wastewater 5.5% required for the SRF Loan and would be \$1 per residential, and the Water would be 4% at minimum since the Joint Powers Water Board has increased our cost by 4%. The rate audit may come back and recommend a different amount. Mr. Clevenger asked council on how they would like to fund the community service organizations and discussion ensued. **Adjournment:** The meeting adjourned at 7:43 pm.
