VIII. RESOLUTIONS

A. CONSIDERATION OF A RESOLUTION AUTHORIZING THE MAYOR SIGN AN APPLICATION WITH THE BLM TO RECOGNIZE ACCESS TO THE GREATER GREEN RIVER INTERGALACTIC SPACEPORT

The current access road to the Greater Green River Intergalactic Spaceport was constructed in the early 1990's by WYDOT when it realigned WY 530 south of Green River. It crosses about 730' of BLM property between the highway and the City property. At the time WYDOT believed they had obtained all necessary authorizations for the development of the road. However, the road is not currently shown on the BLM system, perhaps due to a clerical error or oversight in the past. The proposed application would initiate the process to have the existing road recognized on BLM maps.

Suggested Motion: I move to approve the resolution authorizing the Mayor sign the application with the BLM to recognize access to the Greater Green River Intergalactic Spaceport.

B. CONSIDERATION OF A RESOLUTION AMENDING THE FY18 SCHEDULE OF FEES

The Parks Department has requested a fee be established for the rental of Concession Stand at Evers Park. A person has expressed interest in operating the concession stand for the remainder of the 2018 season. This fee will establish the ability for the city to charge for the service.

Suggested Motion: I move to approve the resolution amending the Schedule of Fees charged for services, products, licenses, rentals, ect. for the City of Green River, Wyoming for the Fiscal Year Ending June 30, 2018.

IX. COUNCIL ACTION ITEMS

A. CONSIDERATION TO AWARD THE BID FOR THE 2018 SLURRY SEAL PROJECT TO INTERMOUNTAIN SLURRY SEAL INC.

Funding is available in the 2017-18 budget to perform a Slurry Seal Project on Green River City Streets. Bids were opened on May 16, 2018 with one Bid received from Intermountain Slurry Seal, Inc., in the total amount of \$166,041. This amount was over what was budgeted so it was re-negotiated to reduce the scope of work slightly to remain within our budget appropriation.

Suggested Motion: I move to award the 2018 Slurry Seal Project to Intermountain Slurry Seal, Inc., in the amount of \$148,944.95, and authorize the Mayor to sign the Agreement.

B. CONSIDERATION TO REJECT BIDS FOR A 2018 BODY FOR A SEWER/CATCH BASIN CLEANER TRUCK

The Bid Opening for the 2018 Body for a Sewer/Catch Basin Cleaner Truck was held on May 8, 2018 resulting in three Bids. The bids came in as expected for the chassis, but the Body for the Sewer/Catch Basin Cleaner Truck came in irregular. This truck is a specialty unit. Typically we bid the chassis and body separately as we did this time, but after review of the bids it became apparent that the truck needs to be re-bid as one unit due to the complexity of the interactions between the chassis and body. We would also like to include a trade in of our 1992 Sewer/Catch Basin Cleaner Truck as part of the re-bid process.

Suggested Motion: I move to reject all bids for the 2018 Body for a Sewer/Catch Basin Cleaner Truck.

Sewer/Catch Basin Cleaner Truck came in irregular. This truck is a specialty unit. Typically we bid the chassis and body separately as we did this time, but after review of the bids it became apparent that the truck needs to be re-bid as one unit due to the complexity of the interactions between the chassis and body.
