Subject:

Stock contract for the 2017-2018 Overland Stage Stampede Rodeo

Background/Alternatives:

The City of Green River is responsible for setting up and paying for the Stock Contractor for the OSSR. Based on price, reputation and past quality the decision was made to offer the professional services contract to the 7C Buckers Rodeo. The Committee and Stock Contractor are asking for a two year contract to be signed by the City of Green River. This guarantees a set price for the two years and a commitment to the contractor. 7C Buckers has been the contractor for over 6 years and is excellent to work with. They are also very reasonably priced for the services provided.
