Agenda Documentation

Preparation Date: February 27, 2018	Department: Public Works
Meeting Date: March 6, 2018	Department Head: Mark Westenskow
	Presenter: Mark Westenskow (Consent)

**Subject:**

*Approval of a Street Light Agreement with Rocky Mountain Power for South 4<sup>th</sup> East Street*

**Background/Alternatives:**

*Rocky Mountain Power (RMP) installs and maintains street lights in many areas of the City. This Street Light Agreement is for the installation of a new street light at the intersection of S. 4<sup>th</sup> East and E. 5<sup>th</sup> South. There are currently no street lights at this intersection, which is a right-turn in the street adjacent to the Green River. The Utilities Division also operates a stormwater lift station at this location, and has a pole available for the mounting of the light. Since the pole is already in place, the City can add a street light for a minimal cost. The new street light will provide improved illumination for the intersection and the City's lift station.*

*The Agreement covers the ongoing electrical service and maintenance for the light. The City currently pays for the electricity to public street lights, and this new light will be added to the City's existing inventory. Rocky Mountain Power will also maintain the street light fixture.*

**Attachments:**

*Street Light Agreement, Street Light Location Exhibit*

**Fiscal Impact:**

*There are adequate funds in the STLITE program to cover the \$491 cost for the new light.*

**Staff Impact:**

*Minimal*

**Legal Review:**

*Standard Street Light Agreement*

**Suggested Motion:**

*"I move to authorize the Mayor to sign the Street Light Agreement with Rocky Mountain Power for the installation of a street light on South 4<sup>th</sup> East Street."*
