Subject:

Amendment #9 to the Landfill Engineering Services Agreement with Inberg Miller Engineers.

Background/Alternatives:

The City entered into a Landfill Engineering Services Agreement with Inberg Miller Engineers (IME) in 2009. Since that time, IME has provided landfill groundwater monitoring and closure permitting assistance to the City. The current Amendment #9 would extend the term of IME services to the City related to construction phase professional services in compliance with the City's Cease and Transfer Grant and Loan parameters.
