Subject:

Approval of the World's Largest Swimming Lesson Host Facility Liability and Publicity Release.

Background/Alternatives:

The Parks and Recreation Department would like to participate in the World's Largest Swimming Lessons (WLSL) and request approval of the Host Facility Liability and publicity Release. The event is set to coincide with the mandatory Educational Water Safety and Swim Instruction Day in honor of Paige Hardesty Greve on Thursday, June 20th, 2019. We have been featured in the host handbook as a location that has been participating in this program for 7 years (going on 8 this year) and the program has only been around for 9 years (going on 10 this year). This event takes place over 24 hours at an estimated 600 locations in more than 20 different countries. Since its inception, more than 235,000 children and adults have participated in WLSL lessons generating more than 750 million lifesaving, learn-to-swim media impressions.
