Subject:

Consideration of a Resolution to Modify the General Fund Budget for the Animal Control Division

Background/Alternatives:

This is a request to move \$1,720 located in the Animal Control Restricted Funds to the General Fund Animal Control Division. Landscaping bricks and chain-link fence have been purchased and installed in the backyard area of the Animal Shelter. Currently, the area is not usable due to it not being escape proof. The area will be renovated to provide a yard space for dogs to play and for citizens to have hands on experience with the animals along with “meet and greets” with animals to ensure compatibility prior to the adoption. Citizens that come in to the shelter often donate money to the shelter. These donations are turned in with a letter from the person donating specifically requesting the money be used at or for the Animal Shelter.
