City Council Meeting  
Agenda Documentation

Preparation Date: March 30, 2021	Department: Parks & Recreation
Meeting Date: April 6, 2021	Department Head: Brad Raney
	Presenter: Brad Raney

**Subject:**

Consideration to Authorize the Submission of a Wyoming Emergency Management Program grant application to the Wyoming Department of Agriculture.

**Background/Alternatives:**

The Wyoming Emergency Insect Management Program (WEIMP) has opened the 2021 grant application period. This is a 50/50 grant with the purpose of providing supplemental help in managing emergency outbreaks of insect pests for the protection of human health and safety. This grant would be utilized to help offset the part-time seasonal staffing costs with the city-wide mosquito control program.

**Attachments:**
