Dear Mayor and council,

Renee Pilling and I, Alissa Davis would like to apply for a Malt beverage/alcohol permit for our vendor market in November. Our event is named Blackbird Lane which will take place at Expedition Island Pavilion in Green River, Wyoming. The event will take place on November 25th and 26th from 4pm-8pm on Friday, 10am-3pm on Saturday.

We have discussed our plans to prevent underage drinking at our event which includes the following: a relaxed atmosphere that's designed with a focus on supporting local businesses, not getting inebriated, an experienced bartender with 5+ years of experience who understands alcohol serving laws in regards to underage drinking, mandatory identification in order to secure a 21+ wristband with no exceptions made, limited alcohol options and the possibility of borrowing Id scanners from the GRPD.

Our goal is to create a wonderful event that supports our local businesses and a sense of community as people shop together and reunite with other friends.

With this event taking place on the one of the busiest days for shopping, Black Friday and most importantly to us, Shop Small Saturday, we thank you again for the opportunity to highlight our small businesses.

Thank you for your consideration of our request for the Malt alcohol beverage permit for our event.

Alissa Davis & Renee Pilling
