

City of Green River Recycling Program is Accepting Plastics #1 and #2

Recycling Plastic Containers is Easy - Do Your Part

Remove the lids, tops, and any devices

Reduce the containers - less space is used up at the recycle bins.

Rinse the container thoroughly. We want your containers NOT the contents.

LOOK FOR THE NUMBER

Bottoms up! Look on the bottom of the bottle/container for the mobius loop with a number 1 or 2 inside the triangle

Examples of #1's

- beverage bottles
 - colored & clear
- cooking oil
- dish detergent
- oven safe food trays
- peanut butter jars

Examples of Colors/Whites #2's

- bleach
- fabric softener
- ice cream containers
- liquid laundry detergent
- Labels OK

Examples of Natural #2's

- milk jugs

Plastics NOT Accepted

- bedding plant containers
- diapers
- foam plastics (such as coffee cups)
- garden hoses
- yogurt containers
- binders
- herbicide, fertilizer or pesticide containers
- hypodermic syringes
- packaging materials such as bubble wrap
- toys, laundry baskets
