

ART ON THE GREEN SILENT AUCTION

How this will work:

1. Artist will determine the minimum bid on the 2D or 3D piece.
2. Artist will also determine the "buy now" price.
3. The item will be displayed with a silent auction bidding sheet.
4. On Saturday, August 19th at 6:30pm, the highest bidder will be notified.
80% to Artist 20% to Art on the Green.
5. Pieces for the silent auction should be fine art 2D or 3D works or artisan works (carving, leather, glass, wood). No household craft work pieces will be accepted.

COMPETITORS SILENT AUCTION

Artists who wish to sell the work they have created during the competition may list them as silent auction piece and accept bids on the artwork.

How this will work:

1. Artist determines the minimum bid on the 2D or 3D piece they are creating.
2. A Silent Auction sheet will be posted at the artist work area.
3. People may bid on the piece during the competition and during the cocktail hour.
4. On Saturday, August 19th at 6:30pm, the highest bidder will be notified.
80% to Artist 20% to Art on the Green.
5. It is suggested that 2D artists have a frame that will fit the work to be placed around the picture for final display.
6. 3D artist will have to determine a minimum price based on the estimate of a mold and cast price.
7. Buyer would receive cast #1 with the understanding that the piece would be available within an 8 month time period.
