

Dear Artist,

June 17, 2019

The Green River Arts Council will once again sponsor a silent auction during Art on the Green. We ask participating artists, as well as many local artists, to submit items for the auction. Artists may submit multiple items.

All items must be finished in a professional manner, i. e., paintings must be framed and ready to hang. Due to the local economy we suggest items be priced up to \$500. We will, of course, accept items of greater value.

The artist will set the minimum bid for each item, along with a “buy now” price. The artist receives 80% of the final purchase price and the Arts Council receives the remaining 20%. The funds will be sent to the artist in a timely manner.

Please deliver your item to Expedition Island Pavilion by 9 am on Friday, August 16, 2019 or please call 307-872-0514 to make specific arrangements and we will gladly take it earlier in the week.

Thank you for your participation in Art on the Green.

Sincerely,

Green River Arts Council
