SUBJECT: **Farmer's Market Vendor Spotlight**

PRESS RELEASE:

R & B Meats & Catering of Green River offer patrons a wide array of meat products to choose from. From (l-r) are owners Randy, Becky and Betty Garver.

It's hard to resist walking past Randy and Becky Garver's booth at the Green River Farmer's Market. One look at the wide variety of tasty meats that they offer and you'll be there for hours sampling such sausage flavors like Red Wine and Jalapeno & Cheese to such jerky flavors like Bourbon and Bloody Mary.

R & B Meats & Catering opened their doors of business to the Green River Community in 1996. They specialize in the meat processing and selling of beef and pork items. The company offers eight different flavors of sausage and sixteen different flavors of jerky. The mildest sausage flavor, Summer Sausage, is an award-winning meat thanks to the Grand Champion title it won the Garvers' in 2004 at a national competition. The company is available to do catering for any type of event ranging from high school events to weddings to Christmas parties.

The Garver's have been selling their meats at the Green River Farmer's Market since it has started. The thing they like best about the Green River Farmer's Market is the great group of people getting together in one location to sell their goods. For more information on R & B Meats & Catering, visit them at 515 E. 2nd North Street, Green River, WY, 82935, 307-872-2556 or stop by their booth all summer long at the Downtown Green River Farmer's Market.
