## V. **CITIZEN REQUESTS AND OTHER COMMUNICATIONS**

Now is the appropriate time for citizens in the audience to be recognized and to speak on items both on the agenda and of general concern for them as citizens of Green River. There will be a limit of three (3) minutes for each individual and five (5) minutes for a group spokesperson. No speaker shall speak more than twice on any issue.

## VI. **RESOLUTIONS**

### A. **CONSIDERATION OF A BUDGET RESOLUTION FOR THE PURCHASE OF BOLAWRAP DEVICES FOR THE POLICE DEPARTMENT**

The company WRAP produces a non-electronic, less lethal device known as the Bolawrap. The device propels a kevlar string that enwraps a subject, either subduing them completely, or restricting their movement enough that officers can safely engage them. In contrast to an electronic control device (taser), the Bolawrap does not cause muscle incapacitation, making it a safer option for those individuals that need to be taken into custody for a non-criminal offense, such as someone in a mental health crisis. Currently, this is one of the only effective devices for this purpose, and can be a valuable tool for

circumstances when a taser is not a viable option. Currently, the GRPD has four Bolawrap devices that are shared by officers on each patrol crew. This system has drawbacks as each device might not be available when needed depending on where officers are at the time. The department would like to purchase enough devices to outfit all of patrol to eliminate the readiness concern during critical situations. The funds for this purchase would come from the Asset Seizure Account and would need to be moved to the regular patrol budget to facilitate the purchase. The total cost for the devices and cassettes is \$12,696.35.

**Suggested Motion:** I move to approve the Resolution modifying the General Fund Budget for the purchase of Bolawrap devices for the Police Department's Patrol Division, in the amount of \$12,700.

## VII. COUNCIL ACTION ITEMS

### A. CONSIDERATION OF A FEMA BUILDING RESILIENT INFRASTRUCTURE AND COMMUNITIES GRANT AGREEMENT WITH THE WYOMING OFFICE OF HOMELAND SECURITY

In December 2021 the City of Green River submitted a sub-guarantee application for the Building Resilient Infrastructure and Communities program to the Wyoming Office of Homeland Security. This grant program provides pass-through funds to help communities implement hazard mitigation measures and has been awarded in the amount of \$67,702.50 for the design and engineering of improvements to the Killdeer Wetlands and diversion structure.

**Suggested Motion:** I move to approve the FEMA Building Resilient Infrastructure and Communities Grant Agreement with the Wyoming Office of Homeland Security.
