V. **CITIZEN REQUESTS AND OTHER COMMUNICATIONS**

Now is the appropriate time for citizens in the audience to be recognized and to speak on items both on the agenda and of general concern for them as citizens of Green River. There will be a limit of three (3) minutes for each individual and five (5) minutes for a group spokesperson. No speaker shall speak more than twice on any issue.

VI. **RESOLUTIONS**

A. **CONSIDERATION OF A RESOLUTION AMENDING THE SCHEDULE OF FEES FOR FY2023**

The City does not have a fee schedule for a microbrewery or winery permit. Adding this fee will allow for the City to charge for a microbrewery or winery permit.

Suggested Motion: I move to approve the resolution amending the schedule of fees by adding the Microbrewery and/or Winery Permit fee effective as of January 1, 2023 for the fiscal year ending June 30, 2023.

Documents:

VII. COUNCIL ACTION ITEMS

A. CONSIDERATION TO AUTHORIZE PARTICIPATION IN THE FY23 NATIONAL FISH PASSAGE PROGRAM BIPARTISAN INFRASTRUCTURE LAW PROGRAM WITH THE U.S. FISH AND WILDLIFE SERVICE

The City of Green River has submitted a Letter of Interest to the FY23 National Fish Passage Program for funding to assist with the ongoing project at the Killdeer Wetland's/Diversion Structure. The U.S. Fish and Wildlife Service have accepted this Letter of Interest and are requesting additional information for the scoring of projects to be awarded contractual agreements. The City is requesting \$250,000 through this program and if awarded, a contractual agreement will be brought before Council that outlines the funding availability and the U.S. Fish and Wildlife Service's role in the project moving forward. The funding would be used specifically for portions of the project that impact fish passage at the site of the diversion structure and there are no matching funds required.

Suggested Motion: I move to authorize the participation in the FY23 National Fish Passage Bipartisan Infrastructure Law Program with the U.S. Fish and Wildlife Service.
