Subject:

Consideration to approve a Resolution amending the schedule of fees by adding the Generation Pound Program.

Background/Alternatives:

The City of Green River Parks & Recreation Department hosted a Generation Pound Instructor Certification session June 30, 2019. Two of our Instructors participated in the eight-hour training and became certified to teach the youth-oriented program. Staff has since introduced the program to the Summer Gymnastics Camp participants. Adding interest and variety in our summer camp, our campers and their parents have been eagerly awaiting the program to be launched as a stand-alone option.

Fiscal Impact:

Estimated revenue = \$40/participant x 20 max. participation x 3 sessions/year = \$2400.00

For each 8-week session, we will offer 30-minute classes once per week. Registration fee will be \$40 until after the 2nd week of class. Then, the fee will be decreased by \$5.00, for a fee of \$35 for the remainder of the session. Registrations take after the 4th class (half way through the session) will be discounted another \$5, for a fee of \$30 for the remainder of the session.

Staff Impact:

For crowd control and safety, our Part-time Instructors will co-teach the first few classes of each session, eventually teaching each class on their own. Instructors' time-keeping will be as the regular Adult Pound classes are under 620-PLAAC (Adult Aerobics Classes).

Legal Review: *None needed*
