Subject:

Consideration of a Resolution Modifying the General Fund Budget in the Animal Control Division

Background/Alternatives:

Paint, wood, sealer for the animal shelter and sod was purchased for the back-yard project. The yard area is 30' by 40' now with grass, trees and a shelter so staff can use it for multiple dogs or puppies, during adoptions and an area for "meet and greets". A portion of the sod and all of the trees were purchased and installed as a Boy Scout Eagle project. The dirt work and trenches were dug by the volunteers of the Boy Scout Project.
