Subject:

Authorization to submit a grant to the Wyoming Emergency Management Program for mosquito management.

Background/Alternatives:

The Wyoming Emergency Insect Management Program (WEIMP) has opened the 2020 grant application period. This is a 50/50 grant with the purpose of providing supplemental help in managing emergency outbreaks of insect pests for the protection of human health and safety. This grant would be utilized to help offset the part-time seasonal staffing costs with the city-wide mosquito control program
